## CATÁLOGO DE EMPRESAS

COU Mexico El Chorrito is a washed process coffee from the Mexican region of Córdoba, Geishas and Catimor variety, has been grown at 750+ over sea level at Finca El Chorrito. Its tasting notes comprise soft caramel aroma with a malic and citric acidity; among the recognised flavours caramel, honey, chocolate, nut and clove stand out.

Cold Brew Coffee El Globo is a natural cold-macerated coffee drink in a RTD format. An artisanal product, completely natural and made exclusively of coffee and water. Contains no colorants, preservatives or sugar. This RTD is elaborated with 100% roasted speciality Arabica coffee, ground and made by Cafés El Globo.

**COU Meso Chocamán** is a specialty coffee that has undergone a natural process with an anaerobic fermentation. It comes from a selected coffee environment that have been fermented in a natural environment for 12 days; at an average temperature of 25°C (through night); in addition, it has been dried out on African beds receiving intermittent sun and shade for a period of around 28 days. This coffee has been shade-grown in a natural environment using traditional processing like symbiotic or red coffee. The acidity on this coffee is very balanced, low, and citric; the tasting notes focus on these beans are strawberries, raspberries, chocolate, coffee liqueur, honey and peach. **COU Chocamán** has been carefully grown and taken care of by the Ramirez family. Felipe Ramirez Lance, Marisol Ramirez Serrano and their son Santiago, helped by 7 more members in the tough task of collecting the cherries or harvesting with the harvest.

COU Ethiopia Sidamo is an endemic coffee from Sidamo, a province of Ethiopia. It is a washed coffee that brings out all of the complexities of Ethiopian coffees. Its tasting notes comprise a floral enzymatic fragrance, yellow fruit taste, medium-high acidity and a final citric taste.

Naturally Roasted 100% Arabica Coffee – Ground and bean formats. As the only Spanish company certified as 100% Arabica Roasters, Cafés El Globo decided to develop a type of coffee to be enjoyed at home. This 250g package normally sold to retailers carries the certified quality provided by Cafés El Globo while being our most affordable 100% Arabica coffee.
